CALL FOR SUBMISSIONS

The *BRAZILIAN JOURNAL OF LATIN AMERICAN STUDIES*, published by the University of São Paulo, is receiving new submissions. Authors can submit **papers, book reviews and dossiers** proposals that will be published in the **issues 42, 43 and 44** by December 2022.

Note: Following the Open Science principles, **BJLAS** will migrate from a semestral publishing model to the continuous article publishing model in 2022.

BJLAS'S SCOPE

The *BJLAS* publishes articles on **Latin American & Caribbean subjects**. As such, the proposals should include **themes of regional impact or manuscripts comparing two or more countries**. Manuscripts must significantly contribute to scientific knowledge advancement in topics related to the region, and for this reason, authors must be researchers at postgraduating(ed) level.

Submissions can be in English, Spanish, and Portuguese.

PAPERS | DOSSIERS | BOOK REVIEWS

Papers within **BJLAS** scope must be submitted through the Journal website: <http://www.revistas.usp.br/prolam>. The texts must have up to seventeen pages included bibliographical references.

Dossier's proposals must have at least **ten articles** and **one book review**. Thematic proposals for **Dossiers** must be approved by the Editorial Committee before authors submit their articles. **Dossier's proposals must**

BRAZILIAN JOURNAL OF LATIN AMERICAN STUDIES | CADERNOS PROLAM
ISSN 1676-6288

be sent to: prolamjournal@usp.br. Each manuscript submitted to a Dossier will be double-blind peer reviewed. Dossier's proponents must hold a PhD certification. There will be accepted up to three proponents per dossier. Please check **BJLA's** requirements for dossiers submission [here](#) (available in Portuguese & Spanish only at this time)

Book Reviews of recently edited books may be published. **Reviews** must have between three to six pages and must be submitted through the Journal website: <http://www.revistas.usp.br/prolam>.

REQUIREMENTS

Submissions must be original and unpublished. **BJLAS** does not accept: papers already published in conferences proceedings, and in other journals. **BJLAS** will accept preprint-published articles according to the journal's [requirements](#).

Authors must have the [ORCID](#) identifier.

The papers must have between **fifteen to seventeen** pages formatted in accordance with the [ABNT](#) system. It must be typed in Times New Roman 12-point font, 1.5 line spacing, left and top margins of 3 cm, and right and bottom margins of 2 cm.

Papers will be reviewed through the peer review (double-blind peer review) system.

Following the Open Science guidelines, from 2022 onward **BJLAS** can:

- a) Offer to reviewers the option of directly communicate with the authors with or without being identified; and/or
- b) Offer the option on having the articles' reviews published with the article itself with or without identifying the respective reviewers.

Authors of approved articles will not be paid. **BJLAS** does not charge any publication fees. The authors maintain the copyright and grant the journal the right to first publication, with the work simultaneously licensed under
